

NMRTC Okinawa Dental and Oral Surgery

OUR MISSION

- USNH Okinawa sees a wide variety of patients from various services and multiple installations
 - Dental care for these same patients is NOT centralized to the hospital
 - Hospital dental serves the **active duty hospital staff and their families**
- Dental/OS department is staffed, funded, and equipped to prioritize
 - Emergency and readiness patients first
 - Readiness, routine, and some elective care for hospital active duty staff
 - Routine and some elective care for hospital active duty staff family members, space available
 - Other active duty and family members by referral, space available
 - Other categories of patients, space available
- Call 646-7862/098-971-7862 to schedule an appointment

After Hours Dental Care

DENTISTRY

After hours emergency dental care is provided by a dental duty officer at Evans dental clinic

- DSN: 315-645-7831/82
- COMM: 098-970-7381/82

Patients may also access after hours emergency dental care through the emergency room

- If you go directly to the ER, the ER will most likely send you to Evans for triage
- Please only go to ER directly if you cannot reach Evans dental watch

ORAL AND MAXILLOFACIAL SURGERY

After hours emergency oral and maxillofacial surgery care is provided by the oral surgeon on call, who can be reached through the dental duty officer at Evans dental clinic

- DSN: 315-645-7831/82
- COMM: 098-970-7381/82

Please go the emergency room if

- You are bleeding bright red blood that won't stop
- You have a fever and facial swelling
- You have trouble eating, breathing, or swallowing
- You are unable to reach the Evans dental watch
